Equipment Fabrication Completion Form

Purpose and definition: Reporting the completion of fabricated equipment so that it can be capitalized, tagged and recorded as a capital asset in Oracle FA and Sunflower. Submit this form when the fabrication is first placed in service. Additional details available in the Property Manual at <https://doresearch.stanford.edu/policies/property-management-manual/acquisition/fabrication#anchor-1739>

Request steps:

1. Principal Investigator (P.I.) or Designee: complete Sections I & II.
2. Email documents to Equipment-fab@lists.stanford.edu. Submit one form for each fabrication.
3. PMO: complete Section III. Also, verify, reconcile and capitalize expenditures in Oracle Financials. Initiate an asset record in Sunflower and affix tag on equipment.
